PROPERTY DESCRIPTION

Tranquil beauty so close to downtown! This beautiful 3 BR, 2.5 BA home with over 2,200 sq. ft. sits on two lots to give a very large yard that offers an in-ground irrigation system, fantastic landscaping and an impressive stone water feature. Inside, you'll be greeted by gleaming hardwood floors and a large open foyer. An arched entry welcomes your guests into the large dining room and a continuation of the beautiful hardwoods that cover the entire main level of the home. The great room is large and offers a tall, two-story ceiling; dual-sided fireplace, a build-in bookcase and lots of windows for natural lighting. The kitchen is also bright and open with lots of cabinet space, a gas oven and an adjacent breakfast area. A sunroom shares the dual-sided fireplace with the great room and is the perfect spot to relax and take in the outdoors from inside your great home. Upstairs you'll find all three bedrooms, including the large master bedroom. The master bath has ceramic tile flooring (as do all of the bathrooms), two sinks, a large jetted garden tub and walk-in closet. A convenient walk-in access to attic storage is located at the back of the closet. To top it all off, a huge deck can be found on the back of the home and is the perfect spot for entertaining family and friends. The gas grill is fed by the natural gas system so no propane tanks necessary...the grill even stays with the home! With views of the lake from the front porch, close proximity to downtown, so many neighborhood amenities and all of the outstanding features previously listed, you need to see this home today!
