PROPERTY DESCRIPTION

Pride of ownership and decorator's touch set this home apart from the rest! This beautiful home on the hill offers 4 BR, 2.5 BA, over 2,000 sq ft. You will get the sense of privacy and seclusion all while living with the amenities of a great neighborhood. The kitchen is absolutely wonderful with custom finished cabinetry, tile backsplash, center island, new smooth-top oven and large, walk-in pantry. The open floorplan downstairs is great for relaxing or entertaining and features lots of windows for natural lighting to show off the wood laminate floors and new neutral paint. Upstairs, new carpet has been added along with ceramic tile to both full baths. The master bedroom is huge and offers a walk-in closet and full bath with garden tub and separate shower. A large 4th bedroom/bonus room is a versatile addition to meet your needs for living space. Upgraded lighting has even been added throughout the hallway and in the bathrooms. Outside, you can relax in a fully fenced and private backyard. A wooded area and great landscaping complete the scene to make this an excellent space to get away...or entertain friends and family. A new tankless water heater means you'll never have to run out of hot water! With a great location, great schools and so many great features, you owe it to yourself to see this great home...prepare to be impressed.
